

Beacon Hospital

Job Description

Job Title	Staff Nurse
Department	Recovery Room
Reports to	Theatre Manager
Date	

Overall Purpose of Job

We will provide exceptional patient care in an environment where quality, respect, caring, and compassion are at the centre of all we do.

Key Responsibilities and Deliverables

- To participate as a Recovery Room Nurse, providing physical and psychological care to immediate post- operative patients.
- To work within professional guidelines as laid down by An Bord Altranais Code of Conduct for Nurses.
- To carry out all Recovery Room Nursing practice in accordance with the Beacon Hospital Theatre and Recovery Room Policies; including the care, control and administration of medicines.
- Maintain accurate nursing records and theatre/recovery records as per hospital policy.

- Collaborate with other Theatre Staff in order to provide a high standard of nursing practice.
- Maintain and update own knowledge continuously, and participate in on-going education.
- Be aware of the hazards which can occur within the Theatre/Recovery Room Department i.e. electrical, chemical and transport, and initiate preventative measures.
- Monitor and supervise the safe maintenance of equipment – reporting problems to the Clinical Coordinator or her deputy.
- Foster a learning environment for the benefit of staff in Theatre/Recovery Room.
- Assist less experienced staff to develop their skills in Recovery Room Nursing.
- Deputise for the Clinical Coordinator in her absence.
- Assist with the duty roster in order to provide effective staffing cover to meet the needs of the department.
- Rotate within all specialities as required by the Theatre Manager.
- Discuss any problems or potential problems with the Clinical Coordinator or Nurse in Charge.
- Such other duties appropriate to the post as may be assigned from time to time, by the hospital authority through the Director of Nursing Services.
