

Job Description

Job Title	Facilities / Administrative Assistant
Department	Facilities
Reports to	Director of Facilities
Date	January 2015

Overall Purpose of Job

Our mission is to provide exceptional patient care in an environment where quality, respect, caring and compassion are at the centre of all we do.

The overall purpose of this is to ensure that the admission of scheduled patient is a seamless experience for the patient, the hospital and the Consultant.

Key Responsibilities and Deliverables

- Updating Works Orders on Flex System.
- Develop specialist fields of interest within the Flex / Facilities environment.
- Assist the Director of Facilities with functions in relation to Health and Safety Committee commitments.
- Assist with activities in relation to preparation with JCI Accreditation.
- Create and promote healthy working relationships; work closely with all other departments in the hospital; and liaise and develop collaborative working relations as required with other staff and grades in the hospital.
- General administrative duties as requested by Department Head.
- Adhere and comply with all relevant safety notices. Ensure that all actions taken during the course of employment conforms to best practice and exhibit optimum patient and staff safety.
- Provide assistance with Annual Fire Drills.
- Liaise with visiting contractors and vendors.
- Overseeing the renewal of annual service contracts.
- Assist Department team in Engineering Duties
- Provide Weekend/Evening cover for Department in Emergency situations.

Information Technology

- Make the most effective and efficient use of developments in information technology for both patient care and administrative support.

Confidentiality

- You will be aware of the confidential nature of work and in particular, the right of patients to confidentiality. To this end you will not discuss workings of the Beacon Hospital or its patients with people outside Beacon Hospital, save as required to do so in the course of your work.
- The extent and speed of change in the delivery of health care is such that adaptability is essential in this position.
- The incumbent will be required to maintain and enhance their knowledge and skills necessary to respond to a changing situation.
