

## Job Description

<b>Job Title</b>	<b>Locum Occupational Therapist Part-time, Fixed Term Contract.</b>
<b>Department</b>	<b>Occupational Therapy</b>
<b>Reports to</b>	<b>Allied Therapy Manager</b>
<b>Date</b>	<b>November 2012</b>

### Overall Purpose of Job

To assess, plan, organise, and participate in rehabilitative programs that help restore vocational, homemaking, and daily living skills, as well as general independence, to disabled persons.

We will provide exceptional patient care in an environment where quality, respect, caring and compassion are at the centre of all we do.

### Key Responsibilities and Deliverables

#### Professional Responsibilities:

- Deliver an effective and efficient ward Occupational Therapy Service based on assessment of needs.
- Administer the highest quality of service by identifying and implementing operational procedures in line with best practice standards.
- Keep abreast with new developments, skills and technology in UPMC Beacon Hospital, to ensure continuing competence in the job.

#### Management Responsibilities:

- To create and promote good working relationships through open communication with all other medical and Allied Health Professionals.
- To maintain appropriate records and statistics sufficient for organisational and legal purposes to include work related injuries/incidents.
- To regularly review and aid the seniors in updating the OT policy and protocol documents.

#### Staff Management:

- To be professional, dedicated and punctual at all times.
- To encourage professional development of all team members through promotion of self-learning, formal courses and in-service training.

**NOTE 1:** The hours of work are at the discretion of the Allied Therapy Manager and in line with service needs.
