

UPMC Beacon Hospital

NCHD Opportunities – July 2013

UPMC Beacon Hospital is a state of the art facility operated by UPMC (University of Pittsburgh Medical Centre), an integrated global health enterprise of internationally renowned programmes across all areas of medicine, and one of the leading non-profit health systems in the United States.

Open Day

To show you around and introduce you to our consultants, we are hosting an **Open Day on Saturday 20 April 2013 from 10am.**

To reserve your place please contact Treasa Nolan at Treasa.nolan@beaconhospital.ie.

We offer excellent opportunities for NCHDs

Our investment in you includes a Director of Medical Education who leads a structured programme to support you in your role. This includes protected teaching time and video linked MDT meetings with our colleagues in the University of Pittsburgh Medical Center (UPMC), ranked in the top 10 hospitals in the US. With a busy Emergency Department and advanced and complex cases through our elective programme, our patients present with many and varied conditions. So we can offer you excellent experience and learning.

Registrars are sought for the following specialties:

- Anaesthesia, Pain & Critical Care Medicine • Cardiology • Cardiothoracic Surgery
- General & Colorectal Surgery • Internal Medicine • Oncology • Orthopaedic Surgery • RMOs / night float

General SHO positions are also available

Full training grant, competitive remuneration package and excellent working conditions are on offer.

To apply, please send your CV to beaconjobs@beaconhospital.ie Closing date for applications is **Friday 3rd May 2013.**

Interviews to take place the week of the 13th May 2013
