

Job Description

Job Title	Nurse Manager
Department	3rd Floor – Cardiology Ward
Reports to	Director of Patient Care Services
Date	November 2013

Overall Purpose of Job

The Hospital's mission is to provide exceptional patient care in an environment where quality, respect, caring and compassion are at the centre of all we do.

The nurse manager is accountable for the effective delivery of competent, compassionate, and efficient care for the specific patient care unit on a 24-hour basis. This includes clinical, human resources, and financial management.

Key Responsibilities and Deliverables

- Provides leadership and direction for the staff on the patient care unit while supporting and actualising the goals of the department and the Hospital.
- Ensures the effective delivery of competent, compassionate, and efficient care by monitoring and evaluating patient care processes and outcomes on the patient care unit.
- Recruits and retains competent, compassionate staff while monitoring performance standards.
- Ensures adequate supplies with regard to financial management.
- Operationalises and participates in continuous quality improvement and risk management.
- Monitors fiscal budget to control operational and capital expenditures.
- Monitoring and adjusting staffing patterns to improve unit productivity.
- Identifies appropriate internal controls for department, provides mechanisms to monitor and enforce compliance.
- Performs related duties as required.

Clinical Responsibilities

The post holder will be familiar with and adhere to *The Professional Scope of Practice Framework (An Bord Altranais 2000)*.

The post holder will partake in the Total Quality Management processes thereby contributing to:

- The identification of quality, policy and guideline issues.
- The evaluation of current practices to best practice.
- The setting of standards utilising structure, process and outcome.
- All hospital and national audit processes.
- The Hospital Wide Accreditation Cycle.
- Health Promotion initiatives.

UPMC Beacon Hospital

Interrelationships

- Maintains good working relationships with other departments and with consultants, patients, families and outside agencies.
- Communicates during the shift with the Nurse Supervisor and Director of Patient Care Services.
- Demonstrates the ability to delegate tasks and responsibilities.
- Participates in ongoing consultation and collaboration with consultants and other care providers to maximise patient outcomes and unit specific goals.
- Demonstrates willingness to assist co-workers whenever needed.

Personal and Professional Responsibilities

The post holder is expected to:

- Attend in a timely manner all mandatory education sessions.
- Maintain a professional portfolio.
- Ensure their professional and personal persona positively reflects the profession of nursing and UPMC Beacon Hospital.
- Utilise all practical opportunities to educate the patient and their families.
- Attend appropriate study days and courses.
- Be a preceptor and or supervisor to students and newly appointed staff.

Other Duties and Responsibilities

All employees are expected to remain flexible to meet the needs of the Hospital, which may include floating to other departments to assist as the patient needs fluctuate.
