

Job Description

Job Title	Theatre Nurse - Cardiac
Department	Theatre
Reports to	Ultimately reports to: Theatre Manager Immediate Supervisor: Theatre Coordinator
Date	2014

Overall Purpose of Job

The Staff Nurse in Theatre will be required to work as a member of the nursing team in Theatre and in the hospital and perform duties as assigned by the Director of Nursing. The Staff Nurse will evaluate operating room patients and plans, implement and document nursing care, provide quality patient care and effective communication with colleagues in the Theatre and the Hospital.

He/she will deliver nursing care to patients providing professional nursing skills in assessing, planning, implementing, and evaluating the nursing care for assigned patients and provide exceptional patient care in an environment where quality, respect, caring and compassion are at the centre of all we do.

Key Responsibilities and Deliverables

- Undertake the role of Staff Nurse in the Theatre Department and demonstrate the required techniques and procedures.
- Promote, deliver and maintain a high quality of patient care, reviewing standards and initiating change when necessary.
- Be an active member of a multi-disciplinary team, demonstrating effective leadership qualities and communication skills.
- Contribute to effective leadership within the Theatre Department and maintain good staff morale.
- Participate in the delivery of care in both a practical and teaching capacity.
- Assist in the clinical management of the Theatre Department on a 24 hour basis.
- Ensure patient safety goals are adhered to.
- Adhere to Theatre and Hospital procedures and policies.
- Co-operate with medical staff and other carers in instituting a high standard of patient care and treatment.

- Establish good communication between patients, their relatives and all visitors to the Theatre Department.
- Ensure that equipment is correctly handled and maintained in safe working order.
- Develop and contribute new ideas and methods for the effective and efficient running of the Department.
- Maintain professional discipline.
- Be accountable for his/her own clinical practice, maintaining and improving professional knowledge, competence and scope of professional practice, in accordance with NMBI Code of Conduct.
- Supervise and assist with the ordering and control of supplies and the assessment of equipment requirements, repairs and replacement.
- Assist new staff with their introduction to theatre, using planned orientation programmes.
- Exercise effective leadership by achieving high morale, based on professional behaviour, sound organisation, good interpersonal relationships and communication.
- Participate in in-house training and further education programmes.
- Develop clinical, managerial and personal competencies within the team.
- Keep up to date with mandatory training such as Basic Life Support (BLS) and Advanced Cardiac Life Support (ACLS).
